

Program Terms & Cancellation Policies

12-Month Program

- All programs are designed as a 12-month experience to help students build strong skills and habits over time.
- This is **not a contract**. You are never locked in for a full year.
- You may end your program at any time with proper notice.

30 Days' Notice of Cancellation (6 Weeks for weekly pay)

- If you decide to cancel, we require 30 days' written notice.
- Any scheduled payments during that notice period will still be processed.

No Refunds

- Payments already made are non-refundable.
- Any refunds are at the owner's discretion.

Extended Time Guarantee

We understand that life happens. Vacations, travel, and breaks can come up.

- If you need to take time off, you continue your regular monthly payments during your time away.
- Any weeks you miss can be redeemed after your 12-month program ends at no extra cost.
- Extended time must be taken in a minimum of 4 consecutive weeks and up to 8 weeks and is available once per 12-month period.

-For example, if you enroll in January and take June and July off, your program payments still run January through December, but you can train the following January and February at no cost to make up the time you missed.

-You must let us know in advance when taking extended time.
